

## Occupational Hygienist/HAZMAT Consultant

---

RED OHMS Group is a growing consultancy, with Headquarters in Perth, specialising in providing occupational hygiene, environment and training support and solutions for our industrial client base. RED OHMS Group have recently expanded to Darwin and looking to grow our team of professionals. We work smart, we're committed, and we're keen to succeed. If this sounds like you, we would like to hear from you!

**To be successful in the position we are looking for an Occupational Hygienist who has proven experience in the following:**

- Ω Conducting asbestos/hazmat surveys in buildings;
- Ω Conducting asbestos air monitoring and clearances for asbestos removal projects;
- Ω Conducting personal exposure monitoring on mine sites for clients;
- Ω Ability to assist in conducting health and hygiene risk assessments;
- Ω Ability to assist in creating health and hygiene management plans;
- Ω Expert knowledge and skills in the operation and execution of industry related equipment e.g., fibre, dust, heavy metals (welding fumes), noise and volatile organic compounds;

**As a minimum, the successful candidate shall display the following attributes:**

- Ω High attention to detail and ability to maintain focus on the task at hand;
- Ω Sound time management and organisational skills;
- Ω High degree of flexibility with working arrangements, site travel according to client requirements is required (i.e. FIFO);
- Ω Sound desire and willingness to learn, mentor and be mentored;
- Ω Possess an enthusiastic and can-do outlook; and
- Ω Be willing to engage with and contribute to a dynamic team environment.

**The successful candidate shall possess (and / or be working towards) the following qualifications:**

- Ω Provisional or Full membership of the AIOH;
- Ω Bachelor's degree in a Science discipline;
- Ω Working towards and/or achieved post graduate qualification in relation to occupational hygiene; and
- Ω WorkSafe NT Asbestos Assessors License.

**What we can offer:**

- Ω Fast tracked site exposure and career development
- Ω Flexible work options
- Ω A fun, supportive and diverse workplace

If you believe you fit this description and want to be part of a dynamic and professional company, please submit your CV by applying through this site.

All remuneration packages shall be negotiated with all successful candidates.
