

# Hazmat Consultant

The RED OHMS Group is a growing consultancy, with Headquarters in Perth, specialising in providing asbestos consultancy, occupational hygiene, environment and training support and solutions for our industrial client base. We work smart, we're committed and we're keen to succeed. If this sounds like you, we would like to hear from you!

We are looking for a Darwin based Hazmat Consultant who has some experience in the following:

- Ω undertaking inspections for the presence of asbestos/hazmat building materials;
- Ω conducting asbestos airborne fibre sampling in accordance with relevant standards or guidance documents;
- Ω undertaking visual clearance inspections following asbestos remediation;
- Ω supervision of asbestos remediation;
- Ω technical report writing and development of asbestos registers; and
- Ω project management.

Experience in any of the following would be desirable:

- Ω noise officer certification and noise survey experience;
- Ω conducting air/dust sampling in accordance with relevant standards or guidance documents;
- Ω conducting sampling for fibres, dust, heavy metals (e.g. welding fume) and volatile organic compounds;
- Ω use of scientific testing equipment associated with noise dosimetry assessments;
- Ω conduct health and hygiene risk assessments; and
- Ω preparation and reviewing of technical reports.

Minimum requirements:

- Ω asbestos Assessor's License or equivalent BOHS 'P' certification;
- Ω attention to detail and the ability to maintain focus on the task in hand;
- Ω highly organised and great at planning work activities;
- Ω ability to be flexible with working arrangements, site travel according to client requirements;
- Ω willingness to learn, to guide and be guided;
- Ω enthusiasm and can-do outlook; and
- Ω be willing to engage with and contribute to a growing dynamic team.

Qualifications in a Science discipline or similar is desirable.

If you fit this description for a role based in Darwin, please submit your CV by applying through this site.

Remuneration will be negotiated with the right candidate.
